## **THE MONKEY HOUSE NEEDS YOUR HELP!**

Besides the prizes students can win by selling the many gift products, wrapping papers, & chocolate treats in the packets this year, the school is offering other opportunities for the students to receive peer recognition and to receive additional prizes and incentives for their efforts (more on these in the next news letter).

One of the incentives will be recognition in the Monkey House, where students selling 1 item or more will have a monkey with their name on it hung in the monkey house. For each 10 items sold after that, your students monkey will receive a banana.

To build and decorate the Monkey House we are asking for help, from parents and staff, with loans \*\* of sturdy brown wood coat racks, large leafy plants and trees (sturdy & artificial) and lots of green, leafy or fuzzy, garlands (no pine type please, otherwise any type welcome).

**We need the items by Wed. Sept.1st**

Do you have a bit of free time? We need help with preparing take home packets, decorating for the kickoff and the Monkey House

**Please contact Mary Graber @ 694-9846 or [mountainmary@ak.net](mailto:mountainmary@ak.net)  
ASAP with loans, questions, or to volunteer.**

**\*\* We will do our best to not damage your items, however, the multi purpose room will be being used for gym classes and activities, so there is a possibility that your items loaned may be bumped by a stray ball or body. Items will be returned to you between mid Oct. and the Harvest Fair. \*\***
